🌪️ STORM ROAD TO TIKTOK HQ LOS ANGELES

Official Creator Tournament Rules

TikTok HQ Los Angeles | March (tbd), 2027

Storm Creator Network is heading back to TikTok HQ! Eight creators will have the opportunity to earn their spot through our weekly tournaments, with four additional Plus One opportunities available.

Please review all competition rules and eligibility requirements before participating.

🏆 1. Tournament Schedule & Qualification

Eight weekly tournaments will take place every Sunday, November 1 through December 20, 2026.

Each week, the top 16 qualifying Storm creators will be selected based on their diamond rankings in the official TikTok tournament campaign.

Creators will be placed into four groups according to their final campaign rankings:

- Group 1: Rankings 1–4
- Group 2: Rankings 5–8
- Group 3: Rankings 9–12
- Group 4: Rankings 13–16

Each weekly tournament produces ONE winner who earns a qualifying spot at TikTok HQ Los Angeles.

Creators who do not win may compete again in future weeks. Once a creator wins a qualifying spot, they are no longer eligible for subsequent weekly qualifying tournaments.

🥊 2. Battle Format & Times

All battles are 1v1v1v1 ONE AND DONE.

- Battle 1: Rankings 1–4 | 8:00 PM CST
- Battle 2: Rankings 5–8 | 8:15 PM CST
- Battle 3: Rankings 9–12 | 8:30 PM CST
- Battle 4: Rankings 13–16 | 8:45 PM CST
- Championship: 9:00 PM CST

The highest-scoring creator from each qualifying battle advances to the championship round that same night.

The four winners compete in one final 1v1v1v1, and the highest-scoring creator becomes that week's champion!

📋 3. Battle Rules & Participation

- Creators must be LIVE, ready, and available at their scheduled battle times.
- Participants advancing to the championship must be available for the 9:00 PM CST battle.
- Audience Controls (18+) must be OFF.
- All participants must follow TikTok LIVE Community Guidelines.

- Disconnecting, leaving, or dropping out after a battle begins results in forfeiture, regardless of the reason.
- Eliminated creators cannot reenter that tournament.
- Creators are responsible for their own internet connection and account eligibility.

✈️ 4. Plus One Elimination Series

On December 27, 2026, the eight weekly champions will compete for FOUR Plus One opportunities.

- Bracket 1: Winners from Weeks 1–4
- Bracket 2: Winners from Weeks 5–8

Each bracket competes in a 1v1v1v1 elimination series. The lowest-scoring creator drops after each round until two remain.

The final TWO creators in each bracket earn the opportunity to bring one Plus One guest.

Plus One guests must be active Storm creators or eligible Storm leadership members.

🌪️ 5. Creator Activity Requirements

All participating creators must maintain active status with Storm Creator Network.

Monthly activity requirements:

- Minimum 8 valid LIVE days.
- Minimum 20 total LIVE hours.
- Each valid LIVE day requires at least 60 consecutive minutes of streaming.

Both the LIVE day and LIVE hour requirements must be met each month.

🌴 6. Travel & Attendance

- TikTok HQ Los Angeles takes place March 2027 with the date to be determined.
- Creators and leadership are responsible for their own travel accommodations.
- Storm is exploring shared lodging options, to relieve creator expenditures, however if shared spaces for sleeping is not sufficient, creators and leadership should secure their own private lodging accommodations.
- Winners and guests must comply with TikTok HQ entry and participation requirements.

⚠️ 7. Important: Winning Does Not Guarantee Attendance

Winning a tournament earns you a qualifying spot at TikTok HQ, but all attendees must continue meeting Storm's eligibility requirements.

This includes maintaining active creator status throughout the competition AND meeting the following requirements every month up to March:

- At least 8 valid LIVE days completed January and February.
- At least 20 total LIVE hours completed in January and February.
- All requirements must be completed before attending TikTok HQ in March.

These requirements apply to all attending creators, including tournament winners and Plus One guests.

If you win a tournament but do not meet the required LIVE activity, you may lose your TikTok HQ spot.

Storm reserves the right to revoke spots for failure to meet eligibility requirements, leaving the network, or violating Storm or TikTok policies.

We're excited to see who earns their spot in Los Angeles! 🌪️
