Consistency throughout the season is the key to winning.

Current standings will be updated weekly and available at:

www.stormcreatornetwork.com

5. Tie Breakers

If two or more creators finish the season tied in total points for any prize-winning position, the tie will **not** be broken using additional statistics.

Instead, all tied creators will compete in a live **Destination Storm Tie-Breaker Elimination Series** to determine the final standings.

Examples include, but are not limited to:

- If two creators tie for 1st place, both creators will compete to determine 1st and 2nd place.
- If three creators tie for 2nd place, all three creators will compete to determine 2nd place.
- If four creators tie for 1st place, all four creators will compete in an elimination series to determine the final finishing order.

The format of the elimination series will be determined by Storm and announced prior to the event.

All decisions regarding tie-breaker competitions are final.

6. The Destination Storm Experience

The top two creators will each receive:

-  Round-trip international airfare
-  Hotel accommodations

Additional details regarding the destination, itinerary, and creator development experience will be announced as the competition progresses.

7. Guest Eligibility

Each champion may invite one active Storm creator.

Guests must:

- Be an active Storm creator in good standing.
- Be eligible for international travel.
- Meet any travel documentation requirements.

Guests are not required to participate in the competition.

8. Passports & Travel

Failure to obtain required documentation may result in forfeiture of the prize.

Participants are expected to conduct themselves professionally throughout the competition.

Storm reserves the right to remove any participant whose conduct negatively impacts the integrity of the competition or the Storm community.

10. Weekly Tournament Cancellations

If a weekly Destination Storm Tournament cannot be held or completed due to unforeseen circumstances—including, but not limited to, platform outages, technical issues, scheduling conflicts, force majeure events, or other circumstances beyond Storm's control—Storm reserves the right to modify the format for that week's competition.

If a tournament cannot be conducted, **weekly placements will instead be determined using each creator's official TikTok LIVE performance metrics for the applicable competition period**, and points will be awarded accordingly.

Current standings will continue to be updated and made available at:

www.stormcreatornetwork.com

Storm reserves the right to interpret and apply these rules in a manner that preserves the fairness and integrity of the competition.

All decisions regarding weekly placements and point allocations are final.

11. Prize Acceptance

The Destination Storm Experience has **no cash value** and may not be exchanged for cash, transferred, substituted, or sold.

If a winner declines the prize, is no longer an active Storm creator in good standing at the time of travel, or is unable to travel, Storm reserves the right to award the Destination Storm Experience to the next highest-ranked eligible creator if time allows.

12. Rule Changes

Storm reserves the right to modify, postpone, or cancel any aspect of the Destination Storm competition, including schedules, tournament formats, prize details, or these Official Rules, if necessary.

Any updates will be communicated to participants through official Storm channels.

By participating in Destination Storm, all creators agree to abide by these Official Rules.

All decisions regarding eligibility, tournament results, point allocations, standings, tie-breakers, prize eligibility, interpretation of these rules, and any other competition matters shall be made by Storm.

All decisions are final.
